NARRATIVE

On Sunday December 09, 2018, I Detective Brian DeMayo assigned to the Boston College Police Department Detective Bureau received a call from the Communications Center stated that a past crime had been committed and I as the on call detective would need to investigate further. A Mr. Michael Sorkin DOB: [REDACTED] a current Boston College student was observed inside Walsh Hall via surveillance video (150 Saint Thomas More Dr. Brighton Ma. 02135), a Boston College owned dormitory activating a fire extinguisher causing severe damage to property with in the building. Activating the extinguisher causing the fire alarm to activate within the building. During the inspection of the building it was observed that a prayer/reflection room had damage to the main door glass panel, the wood frame was broken, and several pieces of furniture were tossed around the room. Mr. Sorkin was observed leaving the building wearing a dark colored winter style coat, blue Adidas t- shirt and blue jeans.

We confirmed Mr. Sorkins residence was [REDACTED] I responded to the room along with Officer Ruth and Sgt. Farrell. We were let into the room by Mr. Sorkin's roommate, BC student, [REDACTED]

Mr. Sorkin was observed sleeping in his bed on the left side of the room. I noted that he was wearing the blue Adidas T-shirt as well as the blue jeans that had been viewed on the suspect in the security footage. I also observed a pair of dark colored sneakers next to his bed (a digital photograph was taken to compare foot prints left within the laundry room). I attempted to wake Mr. Sorkin verbally but with no response. I then gently shook his foot in an attempt to wake him via touch while speaking loudly, telling him to wake up and announcing that we were police officers from BCPD. Mr. Sorkin opened his eyes and made eye contact without moving. I again announced that I was from BCPD and that he needed to sit up, that we needed him to come with us and that we needed to talk. When he failed to respond I removed the blanket and observed a yellowish powdered substance on his pants that appeared to be consistent with the chemical spray from a fire extinguisher. At this time he sat up in a manner that appeared to be cooperative. I noted at this time that in addition to the yellow powder that Mr. Sorkin also had what appeared to be black permanent marker on his hands. In an attempt to document the powder before Mr. Sorkin were to stand up and displace it, I took out the department issued camera and attempted to take a digital photo of the evidence. At this time Mr. Sorkin became uncooperative and aggressively reached up towards my face and the camera. Mr. Sorkin grabbed onto the camera and I pulled it away from him. Mr. Sorkin stood up while grabbing the camera and was extremely close to my person, with rigid body language. Out of concern for officer safety, I attempted to restrain Mr. Sorkin who then began to physically resist by tucking his hands under himself and attempting to pull away. Officer Ruth then stepped in and aided me in the struggle to restrain Mr. Sorkin. During the struggle I felt a hard pinch in my right middle finger which was close to Mr. Sorkin's mouth. It is believed he had bitten me and as a result of the injury I was bleeding from a laceration on the left middle finger. Officer Ruth and I were eventually able to restrain Mr. Sorkin and then placed him into handcuffs. These handcuffs were double locked by Officer Ruth. I then read Mr. Sorkin his Miranda Rights from a card that was provided by Sgt. Farrell. When asked if he understood his rights Mr. Sorkin would not respond. I attempted to speak with Mr. Sorkin to ask if he had taken any drugs or if he was on any medications to which he did not answer. Mr. Sorkin then began to speak about being a "Jew hater" and "don't not like Jews." Based on Mr. Sorkin's behavior we did not ask him any questions regarding the crime due to concerns that he may have been on some form of drug. Mr. Sorkin was demeanor was uncooperative and unusual. He was staring off into space and he had made the unprompted comments regarding not liking "Jews". At this time Mr. Sorkin was transported to St. Elizabeth's Hospital due to his level of intoxication and his psychological and medical well-being. Two uniform officers were assigned to Mr. Sorkin due to his being in police custody.

A search warrant was obtained from an on call judge, Honorable Robert B. Foster. The purpose of this warrant was to search Mr. Sorkin's dorm room in attempt to locate his jacket and or the permanent type marker that was possibly used in a separate incident (181631 hate crime vandalism in Welch Hall). Mr. Sorkin's jacket was located within his room on the floor and had a yellow in color powder consistent with the chemical discharge of the fire extinguisher.

Mr. Sorkin was notified by the Dean of Students that he is now suspended from the university until

He was seen trying to break the glass panel on this door (Attempt to Commit a Crime (Breaking and Entering) MGL 274 s 6.

NARRATIVE

On Sunday December 9, 2018, Officer Ronald McGill and I (Officer Jorge Ortiz) was assigned to uniformed patrol of the Upper Sector in marked police cruiser 412. At approximately 0250 hours, we were dispatched to Walsh Hall for an active fire alarm.

Upon arrival, I observed numerous people evacuating Walsh Hall. Once I entered the building we were met with Boston Fire Department. I noticed the lobby of the building was filled with some sort of powder substance. It was discovered that the powdered substance was from a discharged fire extinguisher which was located in the lobby on the floor next to the main doors.

Boston Fire Department checked the fire panel and it read numerous location of activation, room 143, room 110, stairwell 3 4th floor, stairwell 3 8th floor and the elevator lobby. Once the area was checked by Boston Fire Department and the Boston College Department, it was determined there was no active fire. It appeared that the discharged fire extinguisher set off the alarm.

While checking the area during the fire alarm, I noticed that the laundry room, located by the lobby, was filled with the powder. I entered the area and found that the area had extensive damage. There was a hole in the wall, pieces of the dryer and washing machine on the floor, a large amount of clothes scattered all over the floor and every dryer and washing machine was sprayed with the fire extinguisher. Lt. WILSON of Engine 29 Boston Fire Department gave the all cleared to let people back into the building. While people was heading back in, I was approached by the Residential Director DAVIS, Kaiya who stated to me that she received a call from [REDACTED] a Residential Assistant, that someone took the fire extinguisher from the fourth floor. I asked him why he had the fire extinguisher and he stated that it was not functional and that he brought it down to the resource room for safe keeping. While talking with [REDACTED] and [REDACTED] Walsh Hall went into another fire alarm. Building was once again evacuated.

Boston Fire responded a second time and checked the fire alarm panel. This time it stated that the alarm came from room 308. The area was checked and noting was found. Lt. WILSON gave the all clear to let people back in. During the second fire alarm, BC Controls was able to view the person who discharged the fire extinguisher in the lobby by reviewing the camera. They were able to send out a photo of the suspect (ID'ed as SORKIN Michael Ref Case 181632) to the officers responding to the incident. While letting people back into the building, Sergeant Roy Farrell and I stood by the lobby to see if anyone fit the description from the photo.

At which point, Officer McGill notified dispatch and Sgt. Farrell of damage found on the 3rd floor room 327B, prayer room. The glass panel and door was heavily damaged, at that point, I head to Officer McGill's location. Once I arrived, I was able to speak with a male party who was identified as [REDACTED] who lives in [REDACTED] room 327B, who stated that the damage was not there when the first alarm went off but a few minutes later before the second alarm he heard a loud noise and when he was evacuating the building he noticed the glass all over the floor.

I also observed damage on the ceiling of the 3rd floor and by room 308 it appeared that the fire alarm pull station was tampered with.

Pictures were taken by me on all damages from the 1st floor and 3rd floor using the departmental camera. (Attached with this report) It should be noted that while I was taking photos in the laundry room, MANZI, Anthony of Graduate Residential Director walked into the laundry room. I took pictures of his shoes to eliminate him from being in the room during the incident. The AOC was notified of the this incident.
